

CPD? Sorted!

Your career and the requirements of your professional body requires that you maintain and enhance your competence as a finance professional and business leader through CPD continuing professional development. Your real life and work commitments can make achieving that goal very difficult indeed!

YOUR SOLUTION – CPD Sorted – is designed and delivered by professionals for professionals. CPD Sorted is about simplicity, flexibility, and quality.

By selecting CPD Sorted you have effectively outsourced the “admin headache” of searching for, scheduling, and booking your CPD activities, Once registered, you will have access to the live **CPD Calendar** which sets out the topics, times, and locations of CPD activities for the year ahead. Select your desired activity, and book your place effortlessly. CPD Sorted also take care of recording and storage of your learning activities, including automated issuing of CPD certificates.

CPD Sorted understands that as a **busy professional**, flexibility is a key requirement in managing your daily activities. With this in mind the CPD activities offered will be at various times throughout the year so if you miss that riveting IFRS Update in May you can catch it again in August! To further enhance your ability to manage your busy diary, many of the topics offered can be accessed via **E-learning and Webinars** reducing the need for you to leave the office during those critical times.

There are many topics that can enhance your competence as a professional accountant and business leader. CPD Sorted is committed to provide you with a **broad variety of topics** which will be reviewed continually and modified to ensure relevance in the dynamic environment in which we live. The CPD Calendar will cover the following areas:

- ✓ financial reporting (IFRS, IFRS for SMEs)
- ✓ integrated and sustainability reporting
- ✓ international auditing standards
- ✓ taxation
- ✓ corporate governance
- ✓ ethics
- ✓ professional and management skills
- ✓ IT productivity tools

All of our CPD activities are based on world class material and are facilitated by recognised **practising professionals**. Learning is our passion and making your CPD experience effective and enjoyable is our objective.

YOUR INVESTMENT

The final innovation for your benefit is the pricing of your investment in maintaining and enhancing your professional development.

For a single upfront annual fee of Rs20,000 you will have access to UNLIMITED CPD.

Our CPD Calendar activities provide you with the opportunity to accumulate over 100 hours of learning per annum should you wish to do so, this is over 4 times the annual requirement.

All courses are MQA approved.
